**Subject: Application - Responsable R&D; & Chef de Ligne de Produit**

Dear Hiring Team at Séchéron Hasler Group,

With over 15 years of experience in business development and project management, I am excited to apply for the Responsable R&D; & Chef de Ligne de Produit position. My background in leading cross-functional teams and my technical expertise align well with the innovative environment at Séchéron Hasler Group.

I possess strong project management skills, demonstrated through my ability to deliver complex projects on time and within budget. My experience in stakeholder engagement and data-driven strategies has consistently driven successful outcomes in fast-paced environments.

In my previous roles, I have successfully led R&D; initiatives that resulted in improved product lines and enhanced market competitiveness. My trilingual capabilities (EN/FR/ES) have facilitated effective communication across multicultural teams, ensuring alignment with business objectives.

I am available for an interview at your earliest convenience and am open to travel as required for the role. I look forward to the opportunity to contribute to the innovative projects at Séchéron Hasler Group.

Kind regards, In practice, that means I work on the work with attention to clarity. I prefer concrete steps — defining the scope, setting a simple plan, and adjusting based on feedback. I keep it readable: short updates, a clear call-to-action, and timelines people can accept.
