Dear [Hiring Manager's Name],

I am excited to apply for the Commercial Platform Manager - UX-UI position at [Company Name]. With a robust background in business development and financial modeling, I bring a unique perspective to your team.

In my recent role as a Senior Business Development Specialist at SGR Compliance S.A., I successfully built and managed a portfolio of high-value clients, contributing to a 15% increase in annual revenue.

My analytical skills, developed through years of financial modeling and valuation work, enable me to assess market opportunities and identify key trends that drive business growth.

Additionally, my proficiency in tools like Excel, Python, and SQL allows me to analyze user data effectively, providing insights that inform product development and marketing strategies.

Thank you for considering my application. I look forward to the possibility of discussing how my background and skills can contribute to the success of your team.

Warm regards,

JB Rivero Pégaitez
