Subject: Application - Data Analyst

Dear Hiring Team at Banque Lombard Odier & Cie SA,

I am excited to apply for the Data Analyst position at Banque Lombard Odier. With over 10 years of experience in investment analysis and a strong background in data-driven decision-making, I am well-prepared to contribute to your team focused on sustainability and innovation.

I possess advanced proficiency in Excel, Power BI, and SQL, enabling me to develop analytical tools and dashboards that drive insights. My experience in financial modeling and process optimization aligns perfectly with the requirements of this role.

In my previous roles, I successfully transformed operational data into actionable insights, leading to improved decision-making processes. My ability to collaborate with cross-functional teams has resulted in streamlined workflows and enhanced project management outcomes.

I am available for an interview at your earliest convenience and am willing to relocate to Geneva if necessary. Thank you for considering my application; I look forward to the opportunity to contribute to your esteemed organization.

Kind regards

Juan-Bernardo Rivero
