Subject: Application - Sr. Manager Operations & Logistics Solutions

Dear Hiring Team at ,

As a Business Development Specialist with extensive experience in transactions and valuation, I am excited to apply for the Sr. Manager Operations & Logistics Solutions role. My background in commodities and fintech has equipped me with the analytical skills and resilience necessary to excel in this position.

I possess strong competencies in transaction execution, including M&A; and financing processes, as well as risk identification and stakeholder alignment. My proficiency in preparing execution materials and performing financial analysis in advanced Excel further enhances my ability to contribute effectively.

In my previous roles, I successfully originated and executed cross-border transactions, consistently delivering results under pressure while collaborating with senior stakeholders and advisors. My trilingual capabilities (EN/FR/ES) have also allowed me to navigate diverse business environments seamlessly.

I am available for an interview at your earliest convenience and am willing to travel on short notice to meet the needs of the role.

Kind regards,

JB RIVERO PÉGAITAZ
