Subject: Application - Senior Specialist Export Compliance

Dear Hiring Team at Mettler-Toledo GmbH,

As a Business Development Specialist with extensive experience in transaction execution and compliance, I am excited to apply for the Senior Specialist Export Compliance position. My background in commodities and fintech has equipped me with the analytical skills necessary to navigate complex regulatory environments effectively.

I possess strong competencies in risk identification and mitigation, stakeholder alignment, and conducting due diligence. My proficiency in preparing execution materials and performing financial analysis ensures that I can contribute to enhancing compliance processes at Mettler-Toledo.

In my previous roles, I successfully managed cross-border transactions and collaborated with senior stakeholders to ensure adherence to international trade regulations. My ability to interface with diverse teams has resulted in streamlined processes and improved operational excellence.

I am available for an interview at your earliest convenience and am willing to travel on short notice to support global compliance initiatives.

Kind regards

JB RIVERO PÉGAITAZ
