Subject: Application - Manager, Vehicle Operations Logistics

Dear Hiring Team at Company,

As a Business Development Specialist with a strong background in transaction execution and financial analysis, I am excited to apply for the Manager, Vehicle Operations Logistics position. My experience in structuring and executing cross-border transactions aligns well with the operational logistics required for this role.

I possess advanced skills in valuation and financial analysis, including DCF and multiples, which enable me to make data-driven decisions. My ability to work under pressure and interface with senior stakeholders ensures effective communication and project alignment.

In my previous roles, I successfully managed complex transactions, preparing execution materials and identifying risks to mitigate potential issues. My analytical mindset and resilience have consistently contributed to successful outcomes in high-stakes environments.

I am available for an interview at your earliest convenience and am willing to travel on short notice to meet the demands of this role.

Kind regards,

JB RIVERO PÉGAITAZ
