Subject: Application - Analyste de données

Dear Hiring Team at Lombard Odier,

With over 15 years of experience in business development and a strong background in data analysis, I am excited to apply for the Analyste de données position at Lombard Odier. My expertise in transforming operational data into actionable insights aligns perfectly with your team's goals.

I possess advanced skills in Excel, Power BI, and SQL, complemented by a solid understanding of data automation processes. My ability to engage stakeholders and communicate complex data insights effectively has been a key factor in my success.

In my previous roles, I have successfully led projects that improved operational efficiency through data-driven strategies. My experience in multicultural environments has honed my adaptability and problem-solving skills, allowing me to thrive in dynamic settings.

I am available for an interview at your earliest convenience and am willing to relocate to Switzerland if necessary. I look forward to the opportunity to contribute to your innovative team.

Kind regards,

Juan-Bernardo Rivero
