Subject: Application - Junior Technology Analyst

Dear Hiring Team at Banque Pictet & Cie SA,

I am excited to apply for the Junior Technology Analyst position at Banque Pictet & Cie SA. With over 10 years of experience in investment analysis and a strong background in the technology sector, I am well-prepared to contribute to your team and support the management of your Technology portfolio.

My expertise includes financial valuation, equity research, and due diligence, complemented by a solid command of Bloomberg and Excel. I possess excellent quantitative abilities and am proficient in VBA, which will enable me to perform model maintenance and enhance market insights effectively.

In my previous roles, I successfully conducted comprehensive equity research and provided stock recommendations that led to improved investment outcomes. My experience in fast-paced environments has honed my ability to work under pressure while maintaining high-quality standards in my analyses and presentations.

I am available for an interview at your earliest convenience and am open to relocating to Geneva for this opportunity. Thank you for considering my application.

Kind regards

Juan-Bernardo Rivero
