Dear Hiring Team at EHL Group,

With over 15 years of experience in business development and project management, I am excited to apply for the Strategic Project & Outreach Manager position at EHL Group. My background in integrating new technologies and driving data-driven strategies aligns well with the demands of this role.

I possess strong skills in stakeholder engagement and communication, which have been pivotal in my previous roles. My ability to adapt to multicultural environments and my trilingual capabilities (EN/FR/ES) enhance my effectiveness in diverse teams.

In my previous position, I successfully led a project that increased market penetration by 30% through strategic planning and targeted outreach initiatives. My track record in negotiation and problem-solving has consistently delivered results, even in challenging circumstances.

I am available for an interview at your earliest convenience and am open to travel as required for the role. I look forward to the opportunity to contribute to EHL Group's success.

Kind regards,

Juan-Bernardo Rivero
