Subject: Application - Sales & Project Manager

Dear Hiring Team at Target Company,

With over 15 years of experience in business development and project management, I am excited to apply for the Sales & Project Manager position. My background in SaaS and DaaS sectors has equipped me with the skills necessary to drive growth and manage complex projects effectively.

I possess strong expertise in strategic planning, stakeholder engagement, and data-driven decision-making. My ability to integrate new technologies into workflows and my trilingual communication skills enhance my capability to connect with diverse teams and clients.

In my previous roles, I successfully led cross-functional teams to deliver projects on time and within budget, resulting in a 30% increase in client satisfaction ratings. My negotiation skills have consistently helped secure favorable terms and foster long-term partnerships.

I am available for an interview at your earliest convenience and am open to travel as required for the role. Thank you for considering my application.

Kind regards,

Juan-Bernardo Rivero
