Subject: Application - Business Development Manager, UK & Nordics

Dear Hiring Team at Biognosys,

As a seasoned Business Development Specialist with extensive experience in transactions and valuation, I am excited to apply for the Business Development Manager position at Biognosys. My background in commodities and fintech, combined with my analytical skills, positions me well to contribute to your innovative team.

I possess strong communication and presentation skills, enabling me to effectively engage clients and expand customer bases. My ability to work independently and collaboratively ensures that I can meet regional targets while fostering strong relationships.

In my previous roles, I successfully originated and executed cross-border transactions, demonstrating my proficiency in account management and technical knowledge. My experience in high-pressure environments has equipped me to thrive in dynamic settings, making me a valuable asset to your team.

I am available for an interview at your earliest convenience and am willing to travel frequently for customer visits and conferences. I look forward to the opportunity to discuss how I can contribute to Biognosys' success.

Kind regards

JB RIVERO PÉGAITAZ
