**Subject: Application - Senior Global Supply Planner**

Dear Hiring Team at Company,

As a Business Development Specialist with extensive experience in transactions and valuation, I am excited to apply for the Senior Global Supply Planner position. My background in commodities and fintech has equipped me with the analytical skills necessary to excel in supply chain management and strategic planning.

I possess strong competencies in transaction execution, risk identification and mitigation, and stakeholder alignment. My ability to prepare detailed execution materials and perform financial analysis in advanced Excel will be invaluable in optimizing supply chain processes.

In my previous roles, I successfully originated and executed cross-border transactions, demonstrating my resilience and ability to thrive in high-pressure environments. My experience interfacing with senior stakeholders and advisors has honed my communication skills, ensuring effective collaboration across teams.

I am available for an interview at your earliest convenience and am willing to travel on short notice to meet the demands of this role.

Kind regards,

JB RIVERO PÉGAITAZ
