Subject: Application - Consultant - Finance Strategy & Transformation

Dear Hiring Team at KPMG,

With over 15 years of experience in business development and a strong foundation in project management, I am excited to apply for the Consultant position in Finance Strategy & Transformation at KPMG. My background in data analysis and strategic planning aligns well with your needs for supporting clients in enhancing their financial performance.

I possess a proven ability to engage stakeholders effectively and develop data-driven strategies that drive results. My trilingual capabilities in English, French, and Spanish enhance my ability to communicate and collaborate in diverse environments, which is essential for the multinational context at KPMG.

In my previous roles, I successfully led projects that required meticulous planning and execution, resulting in improved operational efficiencies and client satisfaction. My adaptability and cultural awareness have allowed me to thrive in fast-paced, multicultural settings, making me a valuable asset to your team.

I am available for an interview at your earliest convenience and am willing to travel as required for the role. I look forward to the opportunity to contribute to KPMG's mission and support your clients in achieving their financial goals.

Kind regards,

Juan-Bernardo Rivero
