**Subject: Application - EMEA Regional Supply Chain Associate Director**

Dear Hiring Team at FMC International Switzerland Sàrl,

With over 15 years of experience in business development and a strong background in supply chain management, I am excited to apply for the EMEA Regional Supply Chain Associate Director position. My expertise in project management and data-driven strategies aligns well with the role's requirements, and I am eager to contribute to FMC's success.

I possess a proven track record in stakeholder engagement, negotiation, and strategic planning. My ability to integrate new technologies into workflows has consistently driven operational excellence and improved service levels. Additionally, my trilingual capabilities enhance my communication with diverse teams and clients.

In my previous roles, I successfully led teams in developing and executing supply chain strategies that met financial targets while optimizing inventory management. My experience in conducting root-cause analysis and implementing corrective actions has resulted in significant improvements in operational performance and customer satisfaction.

I am available for an interview at your earliest convenience and am open to travel as required. I look forward to the opportunity to discuss how my skills and experiences can contribute to the continued success of FMC International.

Kind regards,

Juan-Bernardo Rivero
